To Whom It May Concern:

This letter is to state that PHD Manufacturing is a national manufacturer of pipe hangers. Our products are manufactured and/or inspected in accordance to the quality control procedures that are established in our factory in Columbiana Ohio and conforms to what is listed in our catalog. All PHD products are produced to meet or exceed industry standards set for their design and manufacture.

Section 1605 of the American Recovery and Reinvestment Act, also known as The ARRA or The Recovery Act, refers to “Buy American” provisions within this section. The Buy American Act, or BAA, stipulates that construction materials / manufactured goods are considered manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. Attached with this letter are lists of products PHD Manufacturing can provide that meet or exceed the stipulations of the Buy American Act. Due to a mix of stock, please specify “Domestic” / “Buy American” when ordering to ensure your order is in compliance.
